

Bonnie Holtby Memorial Award (Large and Small Animal)

The Bonnie Holtby Memorial Trophy is in remembrance of Bonnie Jean Holtby, who perished July 6, 1994, at Storm King Mountain, Colorado. Bonnie was a member of the Prineville Hotshots and one of the 14 firefighters who lost their lives in that fire. The Ron Smith family donates this revolving trophy in remembrance of their friend and fellow 4-H member. Bonnie was a member of the Redmond Livestock Raisers Dairy 4-H club. She was an outstanding member with enthusiasm, willingness to help others, and had a helping hand or smile for everyone. Bonnie's accomplishments both scholastic and through her 4-H career were above average. An outstanding student, person and 4-H member who excelled at all she attempted.

In addition to the interview, the 4-H member applying for this award must submit, by the application closing date; a one page, double spaced written understanding of Bonnie Holtby's abiding character. Given that Bonnie Holtby was enthusiastic, willing to help others, and approached life with a smile for everyone; how will you honor these traits as a representative of Deschutes County 4-H?

Name of 4-H Member: _____

Name of 4-H Club: _____

Name of Leader(s): _____

Project: _____

In which barn your project located? _____

Where in the barn is your project located? _____
