1. Judges—which ones do we ask back:

Knitting/crocheting—NO. Was not good with the kids.

Leathercraft—maybe. Not very knowledgeable, but did well with the kids.

Photography—maybe. Consider having 2 judges one for Juniors and one for Int and Senior.

Fashion Review—consider having a young judge for My Favorite Outfit.

Other: Have a class at Idea Fair on how to properly fill out Expressive Arts Explanation Cards.

Need to organize Clerk Books differently to avoid having the projects being judged by the wrong judge.

Suggestion—have ongoing training for leaders and this should be a yearly expectation for all leaders. This may need to take place outside the Advisory Meetings.

“Barn duty” for North Sister.

Lego's—where do they go?

2. Skills contests:

Add Leathercraft to Skills contest—YES.

Add Iron Chef to Skills Contest—YES

Add Photography to Skill contest—YES. The details of this will need to be worked out, but might include a Judging contest and photo skills.

3. New Clothing superintendent—Laura Cuthbert might consider it.

4. Need additional clerks for Horticulture, Clothing and Photography
