1. County Fair-Good things

Scholarship interview went well.

Set-up and tear down went well again.

Teen Staff had a great presence and worked well.

I-pads were fun to work with.

Iron Chef was fun.

2. Things that need improvement:

Need to increase “barn duty”. Each club needs to schedule time to do it.

Need to increase Fashion Review participation or it will need to be canceled. Possibly add Presentations and other things to the agenda.

Quilting display was not good—the quilts could not be seen properly.

3. Judges:

Good ones-Photo, Leathercraft

Bad ones—knitting, quilting

4. Improvements:

Do not give display cards to the members. Keep them with the clerks. Several were missing and/or had incorrect information on them. Suggestion—put them somewhere that the clerks can get them and not put them in the Clerk books.

Dress code for Judging Day—no club t-shirts. Recommend shirts with collars and nice pants or dresses.

Instruction on how to fill out Explanation Cards.

Iron Chef will run all week. Send Reaza ideas on how to use the kitchens.
