

HOME EC/EXPRESSIVE ARTS MEETING MINUTES
5/10/11

1. Fashion review workshop/modeling clinic canceled due to lack of interest. We would like to attempt this again next year on a different day of the week—possibly in the winter or on a weekday such as early release Wednesday.
2. Fashion revue during fair—no awards given out at the show. All awards will be given at the Awards Ceremony on Sunday at fair. All committee members are aware and agree with this.
3. Welcome Kimberly Eberhard as the new Clothing Superintendent.
4. Awards for all projects displayed in the North Sister building will be given out on Sunday at 10:00. Candi will ensure that any youth receiving a special award will not be on barn duty and will be able to attend the awards ceremony.
5. Thank you cards will be available and must be completed before special award is given out to the youth. Volunteers will be available to help with the Thank You cards.
6. Last call for any changes to the Exhibitors Handbook. Get any changes in to Reza as soon as possible.
7. Changes made to the Exhibitors Handbook on the county level only are: may exhibit up to 5 items in all areas, but they must have distinct differences. The exception is: Fashion Revue garment. May have a second similar garment, so if they qualify for State they could both be exhibited—one in fashion revue and one in clothing.
8. Let Candi know if your club or members want to do a Presentation or demonstration during fair.
