

HOME EC/EXPRESSIVE ARTS MEETING MINUTES  
March 2011

1. Fashion revue during fair—no awards given out at the show. Consider adding “Intermission style” stuff in to the show. Announce what ribbon or special award was given for each item shown.
2. Awards for all projects displayed in the North Sister building will be given out on Sunday at 10:00. Leaders need to allow all youth receiving awards are not on barn duty during the ceremony. Candi will enforce this.
3. Fund raising idea—get involved with the Redmond Chamber of Commerce events. Contact the Chamber office to get details and information on what events are upcoming.
4. Blanketing Oregon—presented newspaper article on this project. They make lap quilts for hospitals. Check their website for more information.
5. Suggested changes to the Exhibitors Handbook on the county level only are: allow members to exhibit up to 5 items in all areas, but they must have distinct differences. Leaders will look at their project areas and send recommendations to Candi if they want to keep things the same or up the entry numbers. This is to increase the number of exhibits overall and to help with the high point awards.
