June 21-24, 2018 (Thursday-Sunday)

Redmond, OR

**Oregon State University
Extension Service**

What? Open to all 4-H Horse members, at all skill levels from around the state. This will be an overnight camping experience on the Deschutes County Fairgrounds in Redmond, Oregon. Members' horses will be stalled, members will sleep in a separate barn area split up by gender. Adult chaperones will be present 24 hours per day. Showers and restrooms are available. Members will work with their horses with expert instructors daily. They will enjoy guest speakers employed to increase participants horsemanship skills and knowledge. Members will take care of their own horses, including feed, water, saddling, etc. Members will work together to cook meals and enjoy evening activities.

Who should come? Open to all 4-H members, diverse skill levels are great. Horses should be under control and ready to be in an arena with other horses. This is NOT a "fix the horse behavior" clinic. This is a hands on opportunity for members to work with 2 exceptional and experienced 4-H Judges and Instructors. Members should be safe and able to walk, trot and lope their horses in both directions safely. Members may ride either English or Western. This is a mounted camp, so participants should expect to ride their horses. Members must also be capable of feeding and caring for their own horse.

Where? This camp will be held on the Deschutes County fairgrounds in Redmond, Oregon. It is an overnight camping experience.

When? The camp begins at 9 am on Thursday morning, June 21; members may arrive on Wednesday night, after 5 pm by appointment; night supervision will be available. The camp concludes on Sunday at 3 pm and participants should be picked up at that time.

Why? Because 4 days of equine focused education is fun! This is a great pre-fair preparation opportunity.

Cost: \$275, covers camp, t-shirt, all meals (4 breakfasts, 4 lunches, 3 dinners and snacks) \$75 deposit holds your spot, space is limited.

Please give us the courtesy of registering before June 1. Registrations after June 1 will be charged an additional \$50

About the Instructors....

JoAnn Oswald

JoAnn has been fortunate to have a long career working with horses and youth. As a young person JoAnn always wanted to be a teacher, after trying to do that she realized she really didn't like going to school every day. Eventually, JoAnn discovered she could do all the things she enjoyed doing, and make a living too. JoAnn and her husband owned a small ranch in Dallas, OR where they bred and raised Quarter Horses. She did a little bit of training and showing, and a huge amount of instruction. Eventually she developed a riding program teaching beginner riders on up; her specialty is working with youth. During the summer months she would have weekly summer camps and clinics. She was also a 4-H club leader and superintendent in Polk County for nearly 25 years, and she has been an active horse show judge for many years in a variety of organizations—her favorite: 4-H and OHSET. Recently, JoAnn and her husband decided to move to their “camp” outside of Dayville, OR —time for a new adventure.

Anne Garrett

Growing up Anne Garrett was a 10 year 4-H member, she is a graduate of Rogue Community College with a degree in Horse Training and Management. She went on to show ABRA Buckskin horses; enjoying Showmanship, Western, English and Trail. Anne has also worked on a cattle ranch and enjoys trail riding with her husband.

Anne is a PNW Senior 4-H Horse Judge and has judged 4-H shows throughout the Northwest for the past 20 years. She is also currently an OHSET, WAHSET and OFEA Judge. Additionally, she has coached Washington State FFA Horse Judging and enjoys working with youth.

Mallory Silvey & Rosie Skinner are both former accomplished 4-H horse members. Both participated in horse judging, hippology, horse bowl and public speaking, including National Contest participation. Rosie, is a graduate of U of O currently working for Deschutes County 4-H as a program assistant. Mallory currently attends OSU Cascades on course to become a teacher. Both ladies have helped with previous clinics and camps, are mature beyond their years, intelligent, moral, ethical and hard working. And besides all that, they are downright fun ladies to be around!
