Following the live show on Saturday July 25, your animal will be delivered to one location to be killed, then transported to Redmond Lockers. If you would like your cutting and wrapping done by someone else, which is absolutely acceptable, just let us know above. Animals will be killed immediately following the live show on Saturday, graded on Sunday, and we will have a workshop on Monday, July 26 at 6 pm. If you want to view your animal's carcass, you should be at Redmond Lockers (353 S. Railroad Blvd) at that time.

The following kill fees will apply to each animal: ALL are \$50

Cutting and wrapping prices depend on who does it and what species.
