Hi! My name is Tom Maddux and I am with the Deschutes County Chapter of the Oregon Farm Bureau.

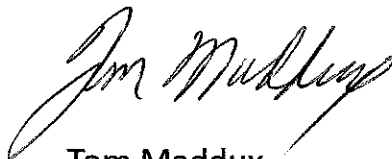

We are offering scholarships to students whose families are members of the Deschutes County Chapter of Oregon Farm Bureau. The program has been expanded to allow all fields of study with **preference** given to agriculture or forestry studies.

Deadline for returning completed applications is April 30, 2017. Please feel free to make as many copies of the guidelines and the application as you will need.

We are offering a \$1,000 Scholarship in each School District in Deschutes County. We are also offering two county wide \$1,500 Scholarships to a returning college student already enrolled in classes. Please note the addition of the second \$1,500 Scholarship this year.

The applicant's family **does** need to be a Farm Bureau member. For those who are not a member but wish to apply, they can join Farm Bureau for \$110 per year.

Thank you for your help in getting the word out.
