

# 4-H Youth Development Over the Clover

VOLUME 18  
ISSUE 5  
JUNE, 2010

A monthly publication for the 4-H members, leaders & families of Deschutes County

## Merv & Sally Fleming Award College Scholarship

Congratulations to **Kendal Johnson**. Kendal is an outstanding young man who has participated in the rabbit project area and junior leadership in Deschutes County 4-H. Kendal clearly understands the mission of the 4-H Youth Development program when he describes each of the “6 Cs” and how 4-H has helped to increase his competence, confidence, connection character, caring and compassion. Kendal’s transcript is an amazing near 4.0 read that includes various honors and AP classes.

In addition to Kendal’s 4-H experiences, he works a regular job to support his bike racing habit. And it doesn’t sound as though he’s racing around town with his buddies, but very high level bike racing at its finest.

Most importantly, Kendal’s letters of recommendation speak of an awesome young man willing to share his many skills and array of knowledge with younger members of his community. From his science teacher, Mr. Elliott, “He’s very encouraging and the other riders seem to respond well to his coaching.” From his 4-H Leader, Meg Shanahan, “Not only does

Kendal maintain large group control and safety, he uses continual positive verbal feedback to help all youth feel successful in the task at hand. He is kind, friendly and very upbeat.” Each of his references refer to his reliability, intellect and determination and all admit he is one of the finest students, members, and employees they have had the pleasure to know.

I enjoyed witnessing the interview that Kendal had with the Flemings and I concur. I saw a young man who is comfortable with who he is, who is very appreciative of his parents and the many things they have helped him accomplish and a man who will without a doubt succeed at whatever he chooses. Congratulations Kendal and thank you for representing 4-H as you move to the next phase of life.

Kendal is planning on attending Cal Poly in the fall.

## Quick 4-H Lessons for Volunteers

The National 4-H Headquarters has invited staff to submit ideas to post on a national 4-H website that could be used for: Staff to use for volunteer development or volunteers to use during meetings.

These resources provide examples of good educational principles. Volunteers (teen or adult) can use one or more of the ideas to partner and facilitate a learning experience that is helpful to the county program.

To find a variety of lesson plans in many topics, activities, worksheets, list of ideas, and more, go to: <http://4-h.org/getinvolved/volunteerresources.html>.

## 4-H School Gardens Tour

Multnomah-Washington County 4-H invites you to our 4-H School Gardens Celebration. Tour will include visits to six Portland area schools who have developed and sustained food gardens, wildlife habitats and green technology on school grounds, for learning across all subject areas.

When: Tuesday, August 31, 2010\

Cost: \$20.00 (includes transportation, catered lunch and information packet)

Contact Maureen Hosty for more information: [Maureen.hosty@oregonstate.edu](mailto:Maureen.hosty@oregonstate.edu)

## Sunday Included!

The Deschutes County fair will once again be held through Sunday, making it a 5-day fair for 2010. Enjoy!

## New Part-time Staff Member Coming on Board

We have scraped enough money together, to hire a temporary "a bit less than half-time" person. We have a year worth of funding at this time. Karissa Dishon will start in our office the first week of July. Her duties, at first, will be event coordination, helping prepare for fair, etc. In the longer term, she may share some project responsibility and will most certainly manage various events.

Karissa is from the Canby area where she was a 4-H member and volunteer. She has a degree in marketing from Portland State University and quite a lot of public speaking and coaching experience. Some of you have already met her, since she is one of the coaches for the National Qualifying horse judging team.

Stop in and meet Karissa and we'll continue our efforts to find long-term stable funding for this part-time position. ccb

## Photo Contest

*Do you raise poultry? Do you have especially beautiful or unique birds in a photogenic setting?*

The Oregon Department of Agriculture wants a photo of your bird for our 2011 Poultry Health Calendar. Winning photos will be selected based on photo composition and the attractive, well groomed appearance of poultry.

Entry deadline is Tuesday, August 31, 2010. For more information go to <http://files.oda.state.or.us> or call Dr. Bruce Mueller at 503-986-4685.

A perfect opportunity for beginners and experts alike, this event is designed for teachers, 4-H volunteers, parents & community members who are looking for ways to create and use SUSTAINABLE LIVING projects in a school or club setting. Whether its planting a vegetable garden or wildlife garden, exploring renewable energy, living buildings (the built environment) learning how to start a backyard 4-H chicken project, food preservation, cooking with local foods, or other "back to basics skills" there is something for everyone.

Date:  
Wednesday Sept. 30—Saturday Oct. 2 and  
Saturday Oct. 9th

Registration Fees  
All three days: \$165.00 (scholarship rate: \$98)  
One Day only: \$69 (scholarship rate: \$35)

## Don't Forget Special Fair Dinners

Remember those special fair dinners you missed last year, but wished you would have enjoyed. Incredible Edibles will once again be serving up special menus on Wed, Thu and Fri evening of the fair. These will be inexpensive qualify meals available to the first 100 to come in the room...6—8 pm each night. Last year, the menus included tri-tip, chicken breast, and pork loin; I expect a similar menu this year. Plan on seeing us there. Exact menu and cost will be in the July *OTC*. ccb

## Congratulations to Scholarship Winners!

The Junior Executive Council and Teen Staff have awarded their first of annual college scholarships. They've worked events such as jar wars, fall festival and larkspur, as well as the ice cream booth at fair in order to accumulate scholarship dollars. They have chosen to award 3 \$500 scholarships. The *Teen Staff*, *Gay Democrat* and *4-H* Scholarships.

Congratulations to: Leslie Hunt, Monica Brown, and Madison Mills for being this year's recipients. More to come on each of these recipients once I collect photos and future plans. ccb

## Fashion Revue

This year you must have your Fashion Revue Commentaries turned in the day of Fashion Revue judging because we will be using them for judging. Be sure you have your commentaries and all needed paperwork finished BEFORE you arrive for Fashion Revue!

**Registration forms are due by Friday, June 25th!! Questions? Call Candi.**

## Awards for Home Ec and Consumer Sciences

If you have an opinion or thought regarding home ec awards, you should contact Tom or Sheryl Katzke. Sheryl and Tom are heading up the home ec awards committee and will be purchasing awards shortly. You can reach them at: [tom@kclgallery.com](mailto:tom@kclgallery.com)

## We Need Your Help

This is a call for volunteers to help with a couple of things pre-fair. As you know, Candi is trying to manage the home economics, expressive arts areas now AND it's been a very long time since she had to set the building and manage fashion review.

The building is being set up and decorated on SAT, July 24. Hopefully, superintendents will help and Shelly Creach has agreed to supervise the setup; but we need as much help as possible. Can you please help, even just part of the day will be beneficial. (Horse fair is also going on at this time.)

Fashion Review is Thu, July 8 nearly all day. I'll need a photographer and one or two people to just make sure everyone is where they are supposed to be. Can you help? ccb

## Outdoor Skills Club is a HIT!

Do you like to do things outside? Then the new Deschutes County 4-H Outdoor Skills Club might be for you. The club currently has 9 members that have met since October, '09 and have participated in a variety of activities including: Wilderness Survival, Outdoor Cooking, Snow Shoeing, and

Rock Climbing.

On the agenda for this coming year are camping, kayaking, mountaineering and much, much more.

If you're interested in becoming a member of the Outdoor Skills Club contact Todd Williver at 541-548-6088 x7970 or email [todd.williver@oregonstate.edu](mailto:todd.williver@oregonstate.edu)

## 3D Archery Shoot

Crook County will be hosting a 3D archery shoot in June. The course length is over 2.5 miles and will host a number of different 3D targets and scenarios. It is open to youth, parents, and volunteers. Watch our website, [www.deschutes4h.com](http://www.deschutes4h.com), for more information and registrations.

## State 4-H Archery Contest

Crook County will be hosting a State 4-H Archery Shoot on Saturday, August 21, 2010. You can view the contest guidelines at our website: [www.deschutes4h.com](http://www.deschutes4h.com). Registration information will be coming out soon. Keep an eye on the website.

## National Shooting Sports Training brings new Instructors to Oregon

National Shooting Sports training, held in Grand Junction, Colorado in May, trained 14 new Oregon Shooting Sports instructors who are now ready to train new club leaders in every Shooting Sports discipline.

The new additions, see picture, will supplement the current state training team and will, for the first time ever, allow for regional Shooting Sports training around Oregon. Previously, shooting sports training was held only once a year, and rotated around the state. Leaders that needed to be trained would have to travel across the state to participate. The new trainers will mean more regional training opportunities, which will allow leaders to become qualified in more than one discipline per year.

If you are interested in starting a Deschutes County Shooting Sports Club in Pistol, Rifle, Archery, or Muzzle Loading contact Todd Williver, Deschutes County 4-H Natural Resources Program Coordinator at 541-548-6088 x7970 or email [todd.williver@oregonstate.edu](mailto:todd.williver@oregonstate.edu).

Front (L-R): Teresa Middleton, Archery; Genese Simler, Shotgun and Idaho Adoptee; Todd Williver, Pistol; Brian Evans, Archery; Elden Kollmar, Rifle; Katie Feinauer, Pistol.

Back (L-R): Larry Sutton, Archery; Chris Names, Muzzle Loading; Chris Dearing, Archery; Matt Liscom, Shotgun; Dave White, Muzzle Loading; John Shafer, Rifle; Kurt Tarkalson, Rifle; Darin Larvik, Shotgun; Jed Smith, Muzzle Loading

## Pen Set Up for Fair

Each year 4-H livestock members and their families set pens in the sheep, swine and goat barns for the fair. This year is no exception, we would very much appreciate your help on Thu, July 22 starting at 3 pm. If you can't be there at 3 pm, please come when you can. Some folks will leave at 6 and new ones will be arriving, it works well in "waves." Beef members, you can help with this too. Even though the fairgrounds sets your pens, we could use your help with the other barns. Thanks in advance to everyone for their help. ccb

## DECORATING THE ROUND TABLES for the BUYER'S BBQ!

**Email:** [buyersbbq@aol.com](mailto:buyersbbq@aol.com)

Last year was a HUGE success having both 4-H and FFA clubs signing up for and decorating the round dining tables for the Buyer's BBQ! Some of you went all-out - - - some chose to keep it simple - - - but it all added to a great ambiance for the Buyer's.

**Email:** [buyersbbq@aol.com](mailto:buyersbbq@aol.com)

This is a great opportunity for each club and club member to put centerpieces on their table(s) to show off and "advertise" who they are along with their animals! I hope each club will take this opportunity to create some simple or elaborate decorations that could include photos of each 4-H/FFA member in the club as well as their auction animals. You will also want to keep in mind the theme for the **2010 Deschutes County Fair: "Dancing With the Steers"**.

**Email:** [buyersbbq@aol.com](mailto:buyersbbq@aol.com)

Participating clubs will be responsible for doing the following:

1. Setting up table(s) and chairs that they are going to decorate. **Tables need to be set-up and decorated BY 10:30 a.m. Saturday morning.**
2. Members need to be available to serve the buyers that are seated at their tables. Each club should decide which members will be serving and rotate members if desired or necessary. Serving should include making sure the buyers are comfortable and enjoying their lunch as well as assisting them with drinks, etc.
3. Each club is responsible for **clearing and cleaning** their table(s) when the BBQ is over!

Clubs will **NOT NEED TO SUPPLY plates, forks, napkins, cups, etc.**

**Email:** [buyersbbq@aol.com](mailto:buyersbbq@aol.com)

We all know that with the economy slower again this year, we need to step up and make changes where necessary. Decorating tables is an added avenue to get the club & members names in front of the buyers and it gives each member an opportunity to serve!

Please email me A.S.A.P. to let me know **how many tables your club would like to decorate!** When I know how many clubs will be participating, I will email you back to confirm the tables that will be your responsibility. Because I will again, need fewer people to serve at the front tables, **I would like each club to give me the name of only one representative of that club to fill the spots at those front (serving) tables.**

We are excited about the BBQ this year!

Mike & Dauna Johnston - - - email: [buyersbbq@aol.com](mailto:buyersbbq@aol.com)

## Donations of Meat for the Buyer's BBQ

We don't have any donated barbecue meat for the buyer's bbq. Anyone know of someone who might be able to donate a lamb, pig, cow, or goat? The beef doesn't have to be prime, we just do roasts and they cook for a long time. We need a lot of meat and have none set up for processing at this time.

## Sheep Safety & Quality Assurance (SSQA) Level 1

Sheep producers can now become SSQA Level 1 certified from the comfort of your own home. The American Sheep Industry Association recently release their newly developed online version of this training. It is available at <http://www.sheepusa.org>, clicking on "Online Education."

The Level 1 training is designed to educate producers on the basics of assuring safety and quality in American lamb products, to describe and define the safety and quality guide lines, and to assure that producers understand the concepts and reasoning behind the development of the guidelines and the importance of their implementation.

At the conclusion of the training, participants complete the assessment and mail to the results to ASI to be added to the growing list of producers who believe that producing safe and high quality lamb is of utmost importance.
